PROFILE

Performance marketing specialist and AdTech professional with 5+ years of experience and 40+ clients across real estate, D2C, hospitality, travel, EdTech, Fintech and B2B SaaS. Managed Rs.5 Crore+ in ad spend across Meta, Google, DV360 and Snapchat, and currently oversee a Rs.50 Lakh+ monthly digital budget for a luxury NCR developer (Rs.3.5 Crore+ average ticket). B.Tech in Computer Science, so I build my own tracking, automation and AI tools. Also worked with Snapchat India on viral lens content that crossed 1.09B views and 92 Crore plays.

PROFESSIONAL EXPERIENCE

Digital Marketing Associate, SEO and Performance 08/2026 – Present

County Group, Delhi NCR (Luxury Real Estate Developer)

- Oversee a Rs.50 Lakh+ monthly budget (Meta, Google, DV360, MagicBricks, Uber) for 6 luxury projects with an 8 member team.
- Led digital for the Cocoa County pre launch (Rs.4,500 Crore GDV): evaluated 16 platforms and onboarded Google DV360, Uber and MagicBricks; Cocoa delivered 108 of 168 qualified leads in its first month.
- Lifted Cocoa Meta lead qualification to 17.9% (account average 5.9%) and cut Meta CPL by 15.7% in one month.
- Own SEO, AEO and GEO across 16 websites: organic leads up 19.3%, branded clicks up 33.4% and ChatGPT referrals up 18% in one month; organic leads qualify at up to 45%.
- Built Python and AI tools (blog audit checker, weekly site and lead form health check) that save about 20 hours of QC a month.

Performance Marketing and Web Consultant 05/2026 – 07/2026

The Better Beings (D2C Wellness Brand, Shopify)

- Rebuilt the Shopify storefront mobile first for a 90% mobile audience: premium product pages, sticky add to cart, and benefit and trust blocks in the buy box.
- Ran Meta Ads on a monthly retainer: account audit, restructure and tracking fixes, then creative testing and scaling.
- Produced product creatives and WhatsApp marketing campaigns for the ElectraMax electrolyte range.

Meta Ads Consultant, Travel and Tourism 06/2026 – 07/2026

12+ Tour Operators incl. WanderLynk, WanderMesh, Canopy & Sky, The Travel Masters

- Generated 10,500+ international trip enquiries on Meta for Bali, Maldives, Mauritius, Thailand, Vietnam and Dubai.
- Best results: 1,471 Bali leads at Rs.50, 183 Maldives leads at Rs.96 (about $1 a lead) and group trips at Rs.37 CPL.
- Built statics, video ads and landing websites in house, in feed and reel formats.

Senior Performance Marketer 10/2025 – 05/2026

Lucentia Digital, NCR (Real Estate Performance Marketing Agency)

- Managed 12+ active client accounts simultaneously across premium NCR real estate, with a combined ad spend of Rs.30 Lakh+ across 50+ campaigns in three months.
- Contributed to a total qualified sales pipeline of Rs.22.4 Crore+ across active real estate accounts in a 90 day period.
- Built and deployed Wati WhatsApp chatbot flows for 6+ projects covering lead qualification, hot/warm/cold tagging, automated brochure delivery, and 1 day and 3 day inactivity nurture sequences.
- Configured Meta Conversion API, offline conversion tracking, and lookalike audience pipelines from verified buyer lists; produced 60 day strategy documents, campaign audits and proposals for ultra luxury inventory above Rs.8 Crore.

Paid Media and Automation Consultant 08/2025 – 10/2025

Machan Corbett Resort and Earavat Resort (Hospitality, Jim Corbett)

- Generated Rs.1.4 Crore+ in confirmed direct bookings on Rs.1,20,000 total ad spend, a 116x return on ad spend.
- Built a WhatsApp concierge automation flow with instant brochure delivery and lead pre qualification, achieving a 22% WhatsApp to booking conversion rate against a 4 to 8% hospitality industry benchmark.
- Ran separate campaign structures per revenue stream: leisure stays, destination weddings (Rs.18 Lakh average ticket), corporate retreats (Rs.6 Lakh average group booking), and wildlife packages that sold out the quarterly allocation.

IONA.AI (B2B SaaS, London) 05/2025 – 08/2025

- Led full scale website and branding revamp to align with enterprise buyers.
- Built and optimized LinkedIn profiles for founders with thought leadership content.
- Delivered SEO friendly, conversion focused copy and UI/UX within 2 weeks.

Dohful (F&B Brand) 07/2024 – 01/2025

- Designed and executed high engagement Instagram strategy for a premium handcrafted cookie brand.
- Ran Diwali paid campaign: Rs.45,000 ad spend → Rs.13.2 Lakh revenue in 28 days, 28.9x ROAS.
- Developed cohesive brand identity and storytelling formats; 28% of Diwali buyers reordered within 45 days.

Web Development and Motion Design
Omkarix Global Exim (Export House), The Good Parent

- Built fast, SEO ready websites with motion design and a brand film (Astro, GSAP, Cloudflare), 94 to 99 mobile Lighthouse.

Chinese Creator in India

- Produced and managed 400+ cross-cultural content videos.
- Handled social growth, moderation, and account operations.
- Built high retention content formats for consistent audience engagement.

Adit Srivastava (Actor-Model)

- Revamped Instagram presence with strong visual identity.
- Created formats highlighting acting and modeling work, strengthening collaboration readiness.

INKLORE Tattoo

- Built performance marketing campaigns to increase local reach.
- Created branded content for the new studio launch and improved engagement through targeted campaigns.

Ashish (Dubai Based Marketer)

- Built optimized LinkedIn personal branding and increased visibility through strategic content.
- Designed high quality content for better positioning.

Albelee Skincare

- Developed brand identity blending tradition and modern appeal.
- Produced storytelling driven launch campaign content with a consistent brand voice across all touchpoints.

Social Media & Content Manager — Gems Vault 08/2023 – 10/2023

- Worked with Vishnupriya Singh (Political Analyst) and Ritu Singh (Celebrity Astrologer).
- Managed social media, adding 2K followers organically; edited videos, reels, and content for stronger engagement.

Snapchat India — Product Operations & Content Analyst Intern 05/2023 – 02/2024

- Created viral Snapchat lenses that crossed 1.09B views and 92 Crore plays.
- Performed feature testing, flow validation and issue reporting for the Communities beta, used by millions daily.
- Received a Letter of Recommendation for performance and reliability.

Lets Confront Podcast — Podcast Manager 03/2021 – Present

- Manage full podcast operations (editing, reels, visual identity) and the YouTube and Instagram marketing strategy.
- Led full rebranding of the podcast identity and collaborated with 10+ industry experts and guest speakers.
